IMI GLOBAL SOURCE AND AGE VERIFICATION PROGRAM CONTRACT

The undersigned cattle producer ("Producer") hereby engages IMI Global, Inc. ("IMI") to provide the verification services identified below on the terms and conditions set forth herein. The specific program requirements are described in the attached Source and Age Verification Plan ("SAV Verification Plan"), the contents of which are incorporated herein and made a part of this Contract by this reference. Any reference herein to the Contract shall specifically include the SAV Verification Plan.

IMI VERIFICATION SERVICES:

IMI will conduct a Source and Age audit to determine if Producer's identified Calving Group(s) meet the USDA's Process Verified Standard, as such standard may be amended from time to time. IMI will conduct an off-site records review and phone audit to determine compliance. If verified, Producer will receive a certificate of approval and will be listed on IMI's Approved Supplier List identifying specific claims which have been verified for Producer. The USDA Process Verified Program requires an onsite review of a small percentage of offsite verifications conducted on an annual basis. As a result, all source verifications are subject to a random onsite review.

FEES (All applicable fees must be paid in advance. IMI accepts VISA/MC/DISCOVER):

Verification Services for Initial Calving Group

Basic Source & Age Verification Fee: \$225 **-OR-**
Source & Age Back Verification Fee (if calves have moved from original source of origin): \$300

Other Fees that may apply (only if required due to Producer's individual circumstances)

RUSH Audit Fees (Required if verification is needed in less than 15 business days from IMI's receipt of executed contract, completed application and required records).

Priority Rush (5 business days) \$350
Overnight Rush (24 hours) \$500
Additional Calving Groups:
 Within the Same Audit: \$25
 Within the Same Calendar Year: \$100
Tag Allocation Fee (for tags not purchased through IMI) \$0.50/tag

ATTENTION: IMI does not guarantee verification of your claims. All audit fees are non-refundable once an audit has been conducted regardless of the result of the audit.

TERMS AND CONDITIONS:

- IMI reserves the right to withhold approval and/or de-list a Producer who was previously approved if IMI reasonably believes that records, documentation or other information provided by Producer are or were falsified.
- IMI also reserves the right to de-list any previously-approved Producer upon IMI's reasonable determination that such prior approval should not have been granted for any reason.
- This Contract is governed by and shall be interpreted in accordance with the laws of the State of Colorado. Producer agrees that the courts of the Douglas County, Colorado shall have exclusive jurisdiction over any action arising hereunder.

- Producer shall indemnify and hold IMI harmless for any claims, investigations, complaints, damages, liability costs, suits, or obligations, including reasonable attorney's fees (the "Claims") to which IMI may be subject as a consequence of any action or omission by Producer in connection with this Contract, except to the extent that such Claims arise out of or result from IMI's gross negligence or willful misconduct.
- Producer hereby consents to and grants IMI a limited right and license to list Producer on IMI's Approved Supplier List and provide identifying information regarding Producer in certain mandatory disclosures to federal and state governmental agencies and authorities.
- Producer acknowledges that IMI is subject to audit by USDA's Agriculture Marketing Service and understands that IMI may be required to provide information relating to Producer to such agency and that the USDA may require Producer to permit it to visit Producer's location pursuant to any such audit of IMI.
